The Adventure Park to Remain Open and Fully Operational

Sandy Spring, MD – April 14, 2025 – The Adventure Park at Sandy Spring will remain open and fully operational, despite the announcement that Sandy Spring Friends School (SSFS) intends to close and potentially cease operations on June 30, 2025.

Since opening in 2010, The Adventure Park at Sandy Spring has operated as a completely independent entity—separate in both ownership and management from SSFS. As such, the school's closure will have no impact on The Adventure Park's operations.

All existing reservations, gift certificates, and rebooking credits remain valid and unaffected by today's news.

The Adventure Park is currently open daily through April 21 for Spring Break. After that, we will resume our regular Friday–Sunday schedule until our seven-days-a-week summer season begins on May 26.

We remain deeply committed to the Olney/Sandy Spring community and are excited to continue delivering unforgettable adventures for years to come.

For any questions regarding current or future reservations, you can always contact us at info@theadventurepark.com or **240-389-4386**.

About The Adventure Park: Founded in 2010, The Adventure Park at Sandy Spring Friends School is the largest Aerial Ropes Course & Zipline park in the United States, receiving roughly 100k annual visitors. The Adventure Park prioritizes safety above all else, having been named the 4th “Association for Challenge Course Technology (ACCT)” Accredited park in the country in 2023. The Adventure Park at Sandy Spring remains the only park of its kind to accomplish this certification in Maryland, D.C., or Virginia.
